SUBJECT: BZA Application No. 16568

The Department of Human Services (DHS) has reviewed the application numbered 16568 from Stanton Glenn, LTD. PNP 2549 Elvans Road, SE Washington, DC 20020, requesting a special exception under provisions of DCMR Title 11, Section 205.1, to operate a child development center for 60 children and 9 staff.

The child development center in question is located in Ward 8, at 3040 Stanton Road, S.E. S.E. Center will serve 60 children 2 years through 12 years old and 9 staff. Currently, they are not DHS child care providers. There continues to be a desperate need for school age care before and after school in this area. With the increased demand for child care services, as a result of Welfare Reform and two parent working households, the Department is recommending approval of this facility request.

Questions concerning the response regarding BZA Application No. 16568 should be directed to Barbara Ferguson Kamara, Executive Director, Office of Early Childhood Development on 727-1839.
