Re: BZA Application No. 16508

Dear Ms. Reid and Members of the Board:

I have been advised about the plans for a child development center To be located in the re-development Stanton Glen, formally Stanton Hills Apts. Complex. It is an idea whose time has come and the residents are Quite happy about it. Please note, this project has my full support. Thanks for allowing my community to grow and be of more value to us.

Child care is a big problem for many of the residents and the new Ones to come. We are grateful to be considered for this project.

Sincerely,

Constance C. Thomas
