Re: BZA Application No. 16570
Tuckers' Day Care Special Exception

Dear Chairperson Sims:

This letter is written in response to your letter dated March 20, 2000, regarding the above referenced case.

Due to our records containing the wrong address for your ANC, the Office of Zoning (OZ) regrets you did not receive the notification letter for BZA Application No. 16570. The OZ obtains a quarterly updated listing of ANC addresses (including Single Member Districts) from the Office of Campaign Finance. Unfortunately, this list does not always include all address changes. To ensure proper notification, we are currently requesting that ANC Commissioners contact Elaine Booth in the OZ, whenever there is an address change.

Fortunately, as the case is not scheduled until May 3, 2000, ANC 8E and SMD 8E02 will still have the proper 40 days notice to offer comments and to attend the public hearing.

Please note that we understand the importance of the proper notification of ANC's and have changed your address in our files. We apologize for the inconvenience. Thank you.

Sincerely,
OFFICE OF ZONING

Jerrily R. Kress, FAIA
Director
