Subject: Application #16573 Exhibit #30

Dear Mr. Kress

On behalf of Mr. Martin E. Hardy's variance for construction of two new flats at 18231 and 1823 Florida Avenue NW, Washington, D.C., I whole heartedly support the variance request. I feel as thought this would be a continuation of the restoration of the Adams Morgan area.

Enclosed you will find copies of neighbors signatures and letters of support this variance.
