Dear Mr. Kress,

With this letter, I would like to express my opposition to Application Number 16573. With the above application, Mr. Martin E. Hardy would like to construct a building with height and width that will block light and view from my condominium which is located on the second floor of an immediate neighboring building - 1822 Vernon Street. I like very much to see improvement in my neighborhood, but not at the expense of one's neighbors.

I would also like to appoint Mrs. Elaine Morris as my representative with this matter since I can not attend the public hearing on Tuesday, June 20, 2000.

Please allow the construction of an adequate building which will improve our neighborhood and satisfy its current neighbors. Thanks for your considerations.

Sincerely Yours,

Gertrude Ding
