BZA Order No. 16573

Dear Ms. Kress:

This letter responds to your February 12, 2004 letter regarding mediation of a complaint of non-compliance with plans filed by a Ms. Morris on behalf of the Vernon Street Citizens for Controlled Development.

We have reviewed and annotated the record to reflect receipt of the plans that accompanied your correspondence. The plans will become a part of the permanent case file for this facility.

Thank you for your letter which will facilitate the issuance of a revised building permit for the subject property.

Sincerely,

Noble
