RE: BZA Application No. 16575,
Coalition of Hispanic Health and Human Services Organizations

Dear Members of the Commission:

At the duly noticed public meeting of ANC 2B on May 10, 2000, with quorum present (6 of 7 commissioners), the Commission discussed the referenced request. Following discussion, the following motion was unanimously approved:

> ANC 2B supports the request of App. No. 16575 by the Coalition of Hispanic Health and Human Services Organizations to enclose the existing roof terrace area. This would add approximately 400 square feet and would minimally exceed the FAR for the building. The Commission action took into account that the roof area is already partially enclosed and covered, that the change does not add to the building foot print, that enclosing the area would not block adjoining windows, and that there are no plans to add to staff due to the requested action.

We appreciate being able to offer these comments and ask they be given due weight by the BZA in considering the application.

ON BEHALF OF THE COMMISSION:

Very truly yours,

Kyle Pitsor
