RE: BZA Application no. 16576

To the Board of Zoning Adjustment:

We are requesting a postponment to our June 7, 2000 public hearing concerning our area variance request. This request was recommended by Advisory Neighborhood Commission 3D at our ANC-3D public hearing on May 8, 2000. The motion was made after it became clear to the commission and ourselves that more time was required to address and work out questions and concerns newly raised by the Verstandig's right side neighbors at this hearing. We, ie. Lee Verstandig, Toni Verstandig, and I, agreed with this motion. We are now arranging to meet with the neighbors and work out a satisfactory resolution with them. Once we have completed this I will contact you again in order to reschedule our public hearing. If you have any further questions or require more information from me, please call. Thank you.

Sincerely

Mark D. Hughes, A.I.A.
Project Architect
