Dear Mr Havner,

I am writing this letter to request your support in my endeavor to attain support from the Georgetown ANC and the Georgetown Board of The Commission of Fine Arts for an addition to my home.

I am proposing a first floor sunroom addition on the south (back) side and to remodel an existing second floor bath on the east side of the main house. I am also planning to build a pergola on the north (front) side of the poolhouse. If you would like to see the architect's plans, please do not hesitate to contact me.

Thank you for your consideration.

Sincerely,

Holidae

We are in support of Ms. Hayes' plans for an addition to her home.
