Dear Ms. Kress:

At the April 5, 2000 Public Meeting of Advisory Neighborhood Commission 8C in which four members (quorum requirement) of the seven-member Commission were present and voting, the Commission voted unanimously to support a variance for the building of Plaza 8 at 522-524 Raleigh Street SE. Proper notice of this meeting was given to all commissioners and the community.

The residents present at the meeting also voted to support this project and directed the Commission to request that all hearings or other requirements be expedited so this project can proceed as quickly as possible. The Commissioners also strongly support the expediting of the hearing process, if need.

A copy of this letter will be sent to the Office of Planning to request their assistance in expediting the process for this project. Thank you for your consideration of this request; should you need to contact me, I can be reach at 561-2837.

Respectfully yours,

Virginia Major
