Re: Board of Zoning Adjustment Case Number 16584 for 1520 22nd Street, NW, hearing date July 5, 2000, **Request that the calendar be re-arranged so that the hearing can occur as the last item on the afternoon agenda.**

Dear Ms. Kress:

I respectfully request that the above hearing be scheduled as being last on the agenda for the afternoon session for the following two reasons:

a. My family reunion is in our beautiful Washington, DC this year, and I am the host, from June 30th to July 5th. Most of the relatives are packed up and fly home but the departure schedules prohibit me from being able to be present at the afternoon session until after 3 P.M.

b. At this point, the ANC and neighbors have supported this case, and no one has requested party status as of this time. There is no opposition to this case in the record at this time. There is expected to be no opposition to the Applicant's proposal, in which instance this case can be heard expeditiously at a late hour without having persons wishing to speak in opposition wait

Many thanks in advance for your kind submittal of my request to the Board for its consideration.

If you have any questions, please feel free to contact me. The best time to reach me is prior to 10:00 AM weekdays.

Sincerely,

James P. Smith
