Re: BZA #16590, 7750 16th Street, N.W.
Washington Ethical Society

Dear Ms. Reid:

I am the Advisory Neighborhood Commissioner for single member district 4A-01, which includes the Washington Ethical Society at which the proposed Oneness Family nursery school is to be operated. On May 2nd and June 6th of this year, the Washington Ethical Society and the Oneness Family School met with ANC 4A to describe the nursery school proposed for the facility at 7750 16th Street and the special exception proceeding before the BZA.

At those two meetings and at previous neighborhood meetings hosted by the Washington Ethical Society and the Oneness Family School, there has been general support for the project by both ANC Commissioners and members of the community. I have heard of no community opposition to this project. ANC 4A usually will not take action on such an issue unless there is substantial community opposition. Accordingly, there will not be a letter from ANC 4A in your files.

Several people have indicated that the school would provide an important resource to the neighborhood. I look forward to the BZA granting the special exception to the applicant.

Sincerely,

Douglass Sloan
