DATE: AUG - 2 2000

SUBJECT: BZA Application No: 16593 - Requesting special exception approval to re-establish use of property at 1514-1520 Church Street, NW, square 194, lot 820, as an accessory parking lot for 38 vehicles.

The Department of Public Works (DPW) has reviewed the application and accompanying materials submitted by the applicant. Saint Luke's Episcopal Church is requesting special exception approval to continue use of its parking lot at 1503 P Street, NW, as an accessory parking lot for 38 vehicles.

The parking lot is in good condition and is well kept. It also provides two handicapped parking spaces out of a total of 38 spaces. The parking lot is seen to have minimal or no impact on the neighborhood. The Department of Public Works therefore has no objection to the continued use of this parking lot by St. Luke's Episcopal Church.
