Reference: File # 16594 and File # 16593, parking lots of St. Luke's Episcopal Church at 1514-1520 Church St., N.W. and 1503 P St., N.W.

Dear Members of the Board:

I am writing in support of the continuation of these lots by St. Luke's Episcopal Church. I live on the southe side of Church Street in the first house west of the Church St. parking lot which adjoins a parking lot owned by an Association on 16th St., N.W. I appeared and testified at the time the Association's continuing use of their lot was approved some months ago. I am unable, due to work constraints, from appearing at the Sept. 5 meeting but would like my letter considered.

St. Luke's has done much to improve and maintain the Church St. lot, and I believe it to be an asset to the community where parking is at a premium. The Church congregation works actively in the neighborhood and I find them good neighbors. We need them in the neighborhood, and they need to have access to parking for their congregation.

I fully support their applications. We need good neighbors and we need to support and encourage those who are good neighbors.

Sincerely yours,

Mary Jane Klipple
