Dear Mrs. Cross Reid:

I am writing in support of the application of St. Luke's Episcopal Church for use of the parking lots on P Street (lot # 16594) and Church Street, (lot # 16593) N.W. The Institute of World Politics is a graduate school of international relations offering courses with transferable credit from Boston University. We would like to use part of lot # 16594 for our students who attend our evening classes. This will make more street parking available for local residents.

The Institute would manage our students' use the lots by issuing permits to the students with an identification number. The approximate number of cars will not exceed 20, and the lots will be used by the Institute Mondays through Thursdays from 6:15pm to 9:45 pm.

Since the Institute is an educational institution and is required to obtain a zoning exemption before any student can use the lot, we will seek such an exemption.

Please feel free to contact me at (202) 462-2101 if you have any questions.

Sincerely,

Mario Mirarchi
