Dear Ms. Reid:

Our group of approximately 40 players meet each Wednesday night at St. Luke's Episcopal Church from 7:30 PM to about 11:00 PM for a bridge game.

The parking lot on P Street is very important help in allowing our membership the opportunity to come to each Wednesday night meeting and find a place to park in an otherwise difficult parking situation. It is also a tremendous help to our handicapped members who many times would be otherwise unable to come to our Wednesday event.

We respectfully request that our parking be allowed to continue. It is most important to us.

Sincerely,

Ed Duffy
