Dear Sir,

We are the restorers(1968) and owners of the property at 1510 "P" Street,N.W. Lot:100;Squ:0195.We are no doubt one of the longest term owners of a house on the block and one of the first (if not the first) to believe in this area and restore a house there. We ourselves have worked many hours on the building and the grounds and we still do so as our energies permit.

The parking lot of the St.Luke's Episcopal Church has been from our long time experience a VERY POSITIVE PRESENCE there and we FAVOR STRONGLY the PARKING .

The following reasons,based on our 22 years in the neighborhood, motivate us to write :

There is a dire NEED for PARKING( in this area as well as in the city in general.)

St.Lukes's parking LOT was ATTENDED.
The supervisor( Mr. Havichek) and the attendant (Paul) were present from early morning until night and watchful. - They were helpful and good neighbors.
In fact THE PARKING LOT WAS A SECURITY FACTOR FOR ALL.
We miss them very much.
==========

{We know, of at least 2 occasions,when Paul and Mr. Havichek foiled attempts to burglarize houses on the block.}

We hope that you will also conclude that the attended Parking of St.Lukes is good for our neighborhood and its residents .

Thank you for your consideration.

sincerely,

Louis M Small  Irmelle L. Small
