Dear Mr. Kress:

The Sikh Cultural Society of Washington, D.C., a non-profit organization incorporated in 1964, is the owner of the property located at 3801 Massachusetts Avenue, N.W. (square 1816, Lot 45). The society has owned the property for over two decades. The recently formed Fairview Heights Neighborhood Association, in their appeal (16604) to the BZA, contends that the Zoning Administration erroneously approved the Application for the Permit (letter addressed to Ms. Sheila Cross Ried, dated June 12, 2000). The Sikh Cultural Society, as owners, request that the Society be granted the "intervenor Status" in this case. Thank you for assistance with this matter.

Sincerely,

Satwant K. Bell
Member of the Board
