Dear Ms. Kress:

I write to ask that you carefully consider during the appeals process of the Fairview Heights Neighborhood Association case issues raised regarding the proposed Sikh Temple at 3801 Massachusetts Avenue NW. I am particularly concerned about the height of the temple and its compliance with current zoning regulations. It is unclear whether the roof of the structure is a height of forty-nine feet or the required forty feet in an R-1-B zone.

Please take the appropriate action in this case. Thank you for your continued interest and attention to land use issues in Ward 3.

Sincerely yours,

Kathy Patterson
