Dear Ms. Kress:

I am writing you in reference to BZA Case No. 16607. I am asking that you expedite my hearing so that it may be settled as soon as possible.

If you look at the details of my case, you will see that it is quite simple. I am applying to move the property line between my house and my neighbor's house so that the property line and the existing party wall and fence are all on the same line. This error was discovered over a year ago and has developed onto a nasty lawsuit. My financial losses are mounting on a daily basis and I cannot get a "clean title" to my house until this property line is moved.

As a fellow District of Columbia Government employee (I work for the Housing Authority), I can appreciate the work you do with limited resources. If there is any way that you could put this basic case on the July calendar I would truly be grateful. If you have any questions about my case, please call me. Thank you.

Sincerely,

Greg Meeropol
