RE: Case Number: 16609

Dear Ms. Kress:

I am writing in reference to the application submitted by Trina Varone and Joan Sutton of Ashley House, Inc., who are requesting a variance to establish an adult rehabilitation home for 60 residents at 4645 Nannie Helen Burroughs Avenue, N.E.

As the Councilmember for Ward 7, I am interested in whether this variance is approved or not. I am, therefore, requesting that I be granted party status in this case. To note, I am vehemently opposed to this application and would not want this type of facility to be located at the proposed site. I will appear at the scheduled hearing without counsel to express my strong opposition in this matter, which by the way, echoes the sentiment of residents living in the area of the proposed home.

If there are additional concerns in this matter, please feel free to contact Ms. Deborah Scott, Deputy Director of Constituent Services, at 724-8178.

Thank you for your attention in this matter.

Sincerely,

Kevin P. Chavous
Councilmember, Ward 7
