MEMORANDUM

TO: Board of Zoning Adjustment

FROM: Andrew Altman
Director

DATE: January 18, 2001

SUBJECT: BZA Application 16611

The Office of Planning has been working with the applicant and surrounding neighborhood regarding the proposed addition to the Edmond Burke School. As of Friday, January 19, 2001, the issue of traffic and circulation has not been resolved and OP is concerned that more time is needed to resolve the issue. OP has recommended a postponement of the public hearing to allow additional time to work on the issues. The applicant has stated that they agree with OP and will not object to postponing the public hearing.

OP and DPW will be working with the neighborhoods and the applicant to resolve the issue of traffic and circulation and it is our hope that the issues can be settled prior to coming before the BZA.

OP recommends the public hearing be postponed.
