MEMORANDUM

RECEIVED D.C. OFFICE OF ZONING 2001 JAN 22 PM 1:42

TO: Board of Zoning Adjustment

FROM: HS for Andrew Altman
Director

DATE: January 19, 2001

SUBJECT: BZA Application 16611

The Office of Planning has been working with the applicant and surrounding neighborhood regarding the proposed addition to the Edmond Burke School. As of Friday, January 19, 2001, the issue of traffic and circulation had not been resolved. The Office of Planning and the Department of Public Works feel strongly that more time is needed to resolve these issues. The applicant has agreed and stressed their continued desire to find a mutually expectable solution to the traffic issue.

OP recommends the public hearing be postponed to allow additional time to work on the issues. The applicant and DPW have stated that they agree with the recommendation. OP and DPW will continue working with the neighborhood and the applicant in an effort to resolve the issues prior to coming before the BZA.
