RE: BZA Application No. 16611 – Burke School (Kenneth Workman, Josef Straka, Carl and Elizabeth Richmond)

Dear Mr. Altman:

On January 23, 2001, the Board of Zoning Adjustment considered your request to postpone the public hearing on the above-mentioned BZA application. The Board agreed with your assessment that traffic, parking and circulation are vital issues to be considered for this project; therefore, sufficient time should be given to your office and the Department of Public Works to complete the necessary work. The Board granted your request and:

1. Rescheduled the hearing to **APRIL 10, 2001 at 9:30 a.m.**

2. Requested that:

   a. The Office of Planning (OP) and the Department of Public Works (DPW) provide copies of your reports to Advisory Neighborhood Commission (ANC) 3F by **MARCH 5, 2001**.

   b. The Office of Planning and the Department of Public Works are to file your reports with the Office of Zoning by **APRIL 3, 2001** (seven days prior to the hearing date).

The Board requested that a copy of the community's traffic study be provided to the Applicant in sufficient time for review and response. Finally, all
