RE: Van Ness-UDC Rail Station

This is to confirm our telephone conversation of July 9, 2001 relating to vehicle access to the bus bay area at the Van Ness-UDC Rail Station. Buses access the bus bay area from Veazy Terrace. The bus bay roadway is one way access northbound and is restricted to buses only. The circle north and east of the bus bay area at the east end of Windom Place is not owned by WMATA therefore we have no authority to designate it as a drop off area.
