Dear Mr. Wilson:

The District Division of Transportation, Office of Mass Transit has received and reviewed your proposal to establish two shuttle bus locations in the District of Columbia.

The Office of Mass Transit has no objection to the proposal.

The Edmund Burke School is requesting to establish shuttle bus service to pick-up students at two location and transport the students to the Edmund Burke School located 2955 Upton St., N.W. The two proposed locations are at Shoemaker and Tilden Streets, N.W. and 40th St., N.W. between Albemarle and Brandywine Streets, N.W. The shuttle service will operate on normal school days between 7:30 and 8:30 AM.

The Office of Mass Transit believes the shuttle bus service will not have an adverse impact on the neighborhood transportation system, on the contrary it will serve as a positive impact. Furthermore, this Office has coordinated the shuttle bus service with the Washington Metropolitan Area Transit Authority (WMATA) without their objection.

Sincerely,

Gilbert F. Williams
Transportation Specialist
