PETITION

We, the undersigned merchants of Connecticut Avenue, NW, support the Edmund Burke School's proposed expansion which will come before the DC Board of Zoning Adjustment on May 15, 2001. (Case #16611)

The Edmund Burke School has been a responsible neighbor in our community for almost thirty years, and we benefit directly from the business its students, faculty, and staff bring to our respective establishments.

We, therefore, urge you to act favorably on its proposal for expansion.
