Re: Application No. 16611, Request for Zoning Relief for Use as a Private School and Relief from Roof Structure Requirements

Dear Members of the Board:

ANC 3F received notice from Ms. Jerrily R. Kress on August 16, 2000, that the above referenced case was filed on July 7, 2000, with the BZA. The application for this case was filed using BZA Certification Form 1, Zoning Self-Certification Form, and is scheduled for a hearing on or about October 24, 2000. As noted in Ms. Kress' memorandum, the properties referenced in the application, Lots 27, 28, and 65 in Square 2243, fall within the boundaries of our ANC. We understand that the full application for this case, including all supporting materials, is to be submitted and made publicly available at least 40 days prior of the date of the hearing. We also understand that filings for this case are due to your Board one week prior to the hearing.

ANC 3F respectfully requests a waiver of the filing period so that we may file our report on the date of the hearing. This will ensure that the ANC is afforded sufficient time to review the full application and all supporting materials once these are made available by September 15; schedule and hold a duly noticed public meeting; obtain comments from all interested parties; and develop and submit a recommendation to your Board.

Sincerely,

Phil Kogan
Commissioner, ANC 3F01

Karen Perry
Commissioner, ANC 3F02
