Comments

I am providing you a copy of a letter that I have sent to the Board of Zoning Adjustment regarding procedural errors and administrative irregularities in the subject BZA application. These errors and irregularities suggest that an institutional bias exists in the BZA in favor of the applicant and against the parties in opposition in this case. At a minimum, the cumulative effect of these errors and irregularities constitutes a denial of due process to the parties in opposition.

We appreciate your personal attention to these very serious matters.
