RE: BZA Application No. 16611 - Burke School Post-Hearing Submissions

---

On September 20, 2001, the Office of Zoning received telephone calls from ANC 3F Commissioner Karen Lee Perry and Jodie Smoilk with Neighbors United for Livable Streets. The callers objected to the post-hearing submission filed by Phil Feola, Shaw Pittman, for the Applicant, dated September 19, 2001 (Exhibit 243). Specifically the callers felt that there were certain portions of the Applicant's submission that were inflammatory to the ANC, and hearsay, and that the submission presented new information. Staff advised the callers that the Board in its deliberations will review the post-hearing submissions and determine what is appropriately before them and what weight will be given to that information.
