Comments: Pursuant to our 10/4/2000 conversation, I am sending the attached request to Chair Reid for a continuance of the 10/24/2000 hearing on the subject application. We hope to receive the Board's consent to such a continuance until 11/15/2000.

Please provide me asap the BZA's formal response so that I may notify the affected neighbors. Based on our conversation, it is my understanding that filings for party status for a continued hearing will be due to the BZA on 11/1/2000.
