RE: Application # 16611
Burke School Expansion

I am writing in opposition to the proposed Burke School expansion, which I feel would create an intolerable increase in traffic, noise, and parking problems on our street. I have been a resident at the above address for twenty years, and in that time I have seen the quality of neighborhood life diminished by the ever-encroaching activities of the nearby Howard Law School, UDC, Burke School, and most recently the Levine School — all within 2 blocks

of my home. Burke's current population already chokes our alley every day, making it ~~ab~~ at times impossible for many of us to get to work on time. More, we cannot stand!

Please recognize that this is, first and foremost, a residential neighborhood, and please do not allow further expansion of commercial entities or institutions in our area — specifically, Burke School.

Sincerely,

Jane Sapp
