Re: BZA Application Case No. 16611: Proposed Edmund Burke School Expansion

Gentlemen:

I am writing to support the Edmund Burke School expansion request.

The Burke School is one of the city's finest schools with an unusually diverse student body and an outstanding faculty. It is an unusual school because of the warmth and understanding it shows each of its students

My nephew graduated from Burke twelve years ago and still talks about his wonderful memories

The new plan will provide enhanced space for the arts and a new library and is essential to the continued progress of the school.

Very truly yours,

Stephen A. Goldberg
