Re: BZA Application Case No. 16611. (Burke School Expansion).

BZA
Case No. 16611
Exhibit No. 54

Dear Sirs, Madam,

I am writing in support of Burke Schools proposed expansion at its site on Upton Street NW in our city. I am a long-time DC resident and I view the school as an asset to our city. The school is very community-minded and the proposed expansion will lessen the current crowding at the school and should allow for a safer and less congested traffic pattern. Even though the square footage of the proposed expansion will almost double the size of the school, the school only plans on adding 60 more students overall, which will greatly assist its over-crowding; while only impacting the neighborhood slightly.

We look toward to your approval of their application. Thank You. Sincerely,

Board of Zoning Adjustment
