Re. BZA Application Case No. 16611: Proposed Edmund Burke School Expansion

To the Board Members:

My son attended Edmund Burke School when no other school in the District was prepared to cope with his special needs.

The Edmund Burke School's special mix of diverse student body, strong education, outstanding financial aid and committed community service program is unique and irreplaceable. Therefore the School's need for expanded program space deserves your support.

It would be a great loss were the Edmund Burke School, like the Potomac School and others, forced out of the District of Columbia.

Sincerely,

Herbert Levin
