MEMORANDUM

TO: Jerrily R. Kress, FAIA
Director
Board of Zoning Adjustment

FROM: Barbara Ferguson Kamara
Executive Director

DATE: August 30, 2000

SUBJECT: BZA Application No. 16614

The Department of Human Services (DHS) has reviewed the Board of Zoning Adjustment (BZA) application no.16614 from Monique Fontaine at 4514 13th Street NW, Washington, DC 20011. Ms. Fontaine is requesting a special exception under provisions of DCMR Title 11, Section 205.1, to increase the capacity at Eagle Child Care Center to 50 children and 8 staff.

The child development center in question is not a current nor former child care provider with DHS. Presently, there are five DHS Subsidy Programs in that area serving children from 6 weeks through 12 years of age. However, the continued need for school age care and before and after school care remains an existing priority. With the increased demand for child care services, as a result of Welfare Reform and two parent working households, the Department recommends approval of this facility request.

Questions concerning the response regarding BZA Application No. 16614 should be directed to Barbara Ferguson Kamara, Executive Director, Office of Early Childhood Development on 727-1839.
