To whom it may concern:

This letter is to request a continuance from November 14, 2000 for BZA Application No. 16616 for 500 A Street, SE until the next available date. The Owners of the property are not in town to represent their case in front of the ANC meeting. They feel that this is important, and in order to meet with the ANC before the BZA meeting, they are making this request. I have been in touch with the ANC and have informed them of this request. I have asked them to support this request formally.

Please do not hesitate to phone or fax me if you have any questions concerning this.

Thank you.

Sincerely,

Andre F. Houston, AIA
