RE: Application of the Phillips Collection, BZA Case 16618

Dear Ms. Reid:

From other correspondence you are aware that the applicant, the ANC and the citizens association have requested a continuance of the hearing on this case from October 24, 2000 until Tuesday, December 5, 2000. This will allow the applicant to have additional traffic studies prepared and allow the applicant and the neighborhood to continue discussions about whether potential traffic and loading impacts can be avoided or mitigated. The Office of Planning feels that a delay may help resolve some of the outstanding issues. We therefore request that the BZA delay consideration of the case until December 5, 2000.

Thank you for your consideration of this matter.

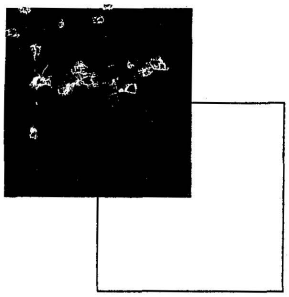

Very truly yours,

Ellen M. McCarthy
