Request for party status:

The Capitol Hill Restoration Society respectfully requests recognition as a party in the above referenced matter. The Society is a civic association representing nearly 1,000 members in the Capitol Hill neighborhoods. The subject premises are located within the Society's interest district, which is defined in its bylaws, and in the Capitol Hill Historic District.

Lyle R. Schauer, Zoning Committee Chair of the Society, will appear to represent the Society and to participate in the hearing.

The Society will **Oppose** granting the relief sought in this application on the grounds that commercial use of residentially zoned buildings directly and adversely affects Society members, not only those in close proximity to the premises, but in all Capitol Hill neighborhoods.

Sincerely,

Lyle R. Schauer,
Zoning Committee Chair
