Dear Ms. Kress:

In response to your letter of 23 August 2000 forwarding a copy of the Embassy of the Republic of Azerbaijan's application to the Board of Zoning Adjustment (No. 16620) for the location of a chancery at the premise of 2741 34th Street, NW (Square 2122, Lot 27), we find that this location is outside the boundaries of the Shipstead-Luce Act. As such it is not within the jurisdiction of the Commission of Fine Arts and will not require our review.

Sincerely,

Charles H. Atherton
