Bruce and Eryl Wentworth 2705 34th Place NW Washington DC 20007

Board of Zoning Adjustment
441 Fourth Street NW
Washington DC

R: Azerbaijan

Dear BZA:

We are the owners and occupants of 2705 34th Place NW and wish to document our objection to the zoning variance for Azerbaijan. We prefer to keep our neighborhood residential. We do not like the idea of 15 or more people occupying the residence. If the BZA approves this variance it will increase the parking problems and negatively impact our residential neighborhood. We currently have offices for the Norwegian Embassy directly behind us and prefer not to have additional office space created in the area.

Yours Truly,

Bruce J. Wentworth
