Room 210

Dear Ms. Reid:

I am writing regarding BZA case number 16620, the Embassy of the Republic of Azerbaijan proposal for chancery use at 2741 34th Street, N.W. I fully support Advisory Neighborhood Commission 3-C's recommendation that the BZA deny this application because the proposed chancery location is outside the mixed use Diplomatic overlay district and is located within an R-1-A low density single family district in which office and commercial uses are prohibited. I believe the use of this site as a chancery with fifteen employees is incompatible with the residential character of 34th Street, N.W.

Thank you for your consideration of this matter.

Sincerely,

Harold Brazil
