To the Board of Zoning Adjustments

- We are neighbors of the Sasha Bruce House at 1022 Maryland Avenue NE.
- We ask you not to approve an increase in the Certificate of Occupancy from 10 to 15 shelter beds
- The children and young adults at the shelter are sometimes unruly, disruptive and often unsupervised. There have been problems with littering, trash and rats. Parking will be tighter with additional supervisory personnel
- These and other problems are significant burdens on the neighborhood. The proposed increase will disproportionately increase the burden on the neighborhood.
- We recognize that the shelter at Sasha Bruce House is important, but even with a Certificate of Occupancy of 10, the Sasha Bruce staff are at their limits, and unfortunately, sometimes insufficient.
