Petition

We, the undersigned immediate neighbors of Mr. and Mrs. Jonathan B. Rickert, understand that they intend to build a one-story frame addition to the back of their house at 6683 32nd Place, N.W. We further understand that the proposed addition, which will be approximately 160 square feet in size, requires a variance, and that Mr. and Mrs. Rickert have applied to the District of Columbia Government, Board of Zoning Adjustment, for such a variance. We have no objection either to the construction of the proposed addition or to the granting of the variance.
