Dear Sir/Madam:

We are writing in support of the request (BZA Application No. 16624) of our neighbors, Mr. and Mrs. Jonathan Rickert, for a special exception under Section 223 to enable them to build a modest addition to the back of their house at 6683 32nd Place, N.W. As we live directly across the street from the Rickerts, we are aware of their plans and see no reason why their application should not be approved without delay. We hope that the Board of Zoning adjustment will give the necessary approval.

Sincerely,

Joan Shifrin and Michael Faber
