Re: BZA Application No. 16624

Dear Sir/Madam:

We are writing to support the request of our neighbors, Mr. And Mrs. Jonathan Rickert, for a special exception under Section 223 so that they may build a modest one-story addition to the back of their house at 6683 32nd Place, NW. We are fully aware of their plans and do not see any reason why their application should not be approved promptly. Our property is on the same side of the street, a few houses down, and we do not have any objection to their building plans.

It is our hope that the Board of Zoning Adjustment will give the necessary approval to the Rickerts at the October 10 hearing.

Sincerely,

Thomas W. White
