STATEMENT OF EXISTING AND INTENDED USE

Lots 26 and 27 in Square 50 are improved with a building that currently is leased to the General Services Administration for use entirely as a commercial parking facility. The building occupies 100% of Lots 26 and 27.

The Applicant intends to establish a telecommunications exchange facility/switching center in the existing building, a use permitted by Special Exception in the C-R District. Accessory parking will be provided on the ground floor. There will be no increase in commercial FAR.
