At the October 4, 2000 Public Meeting of Advisory Neighborhood Commission 8C in which four members (quorum requirement) of the seven-member Commission were present and voting, the Commission voted unanimously to support a special exception to allow the proposed construction of an elderly wellness day care center for more than 16 in an R-4 District at premises 3500 Martin L. King, Jr., Avenue, SE. Proper notice of this meeting was given to all commissioners and the community. We recommend without reservation that the Board approve the application.

Any member of the executive committee member of the ANC is authorized to present the report. These members are
