Dear Ms. Kress:

I am writing to request a hearing for a "Matter of Right" before the Board of Zoning Adjustment.

Specifically, the property at issue is the Congress Heights Senior Wellness Center, located at 3500 Martin Luther King, Jr. Avenue, SE on land owned by the District of Columbia Office on Aging. The facility to be constructed on the site is owned and operated by a District agency, and will feature District government-sponsored programming for elderly Washingtonians.

This project – which appears on the Mayor's and the Office on Aging's scorecards – is our agency's number one priority. Accordingly, we are requesting an expedited review before the board.

Your assistance in this matter is greatly appreciated. Thank you for your prompt attention and consideration.

Sincerely,

E. Veronica Pace
Executive Director
