Subject: BZA application 16631 (Alliance Française)

Dear Ms. Kress:

In light of demonstrated significant neighborhood opposition to the Alliance Française's request for a zoning exemption, the Sheridan Kalorama Advisory Neighborhood Commission (ANC 1D), hereby respectfully requests a postponement of the above referenced hearing so that the ANC can have an opportunity to air the matter at its next scheduled public meeting on December 19th, 2000.

The public meeting would afford the Alliance Française an opportunity to present its plans to the neighbors and the commissioners, thus allowing the ANC to carry out its advisory role to the Board of Zoning Adjustment in the manner provided for under the District's Home Rule Charter.

Thank You,

Lance P. Salonia
